

IVECO
CERTIFIED PRE-OWNED

Giving vehicles a **second life.**

The brand dedicated to the sale and marketing of Pre-Owned Vehicles Certified by IVECO.

Thorough inspection – To the core

Our vehicles undergo a series of meticulous checks and inspections according to a set procedure before they are put on the market. That's why, even though they are pre-owned, our customers can rely on their vehicle being not only reliable but also in perfect condition.

Premium, Plus or Standard – We serve every need

Every customer has different requirements - and this applies also to price and vehicle preparation. Based on their specific characteristics, such as age, mileage and reprocessing work, the vehicles are divided into three categories – PREMIUM, PLUS and STANDARD – in order to best meet the needs of the customers.

From old to new

We only use IVECO Original Parts and components for all repairs on the vehicles. This is how we can be sure that, the vehicle is as close to its original state as possible and will have a long second life.

The same benefits as a new vehicle

Our offer includes additional services, such a warranty valid across Europe, mobility services, and leasing and financing solutions. A professional team helps our customers choose the second-hand vehicle best suited to their business application, so they get the best value for money.

Just in case

IVECO CERTIFIED PRE-OWNED is present in more than 25 countries. Our professional team supports our customers with their purchase decision, and if they have a problem with their vehicle, our 24-hour toll-free service number is at their service. Furthermore, every IVECO workshop can offer quick and easy help. So, every customer – no matter where they are – can easily find a competent contact nearby.

Certified Products and Quality

Certified Products.

Our vehicles undergo a series of meticulous checks and inspections according to a set procedure before they are put on the market. That's why even though they are Pre-Owned, our customers can rely on their vehicle being not only reliable, but also in perfect condition.

Certified Warranty and Maintenance

Certified Warranty and Maintenance.

IVECO CERTIFIED PRE-OWNED offers you an Extended Warranty program, valid across Europe up to 36 months that can be purchased by modules according to individual requirements. This will give you peace of mind over a long period of time, in the knowledge that your vehicle will be checked and repaired with the professional skills that are the hallmark of the IVECO After Sales Service Network.

Your business never stops, so you rely on your vehicle being operational when you need it. Our Services are designed to maximize uptime through real-time vehicle monitoring, remote diagnostics, Maintenance and Repair plans, as well as preventive actions at your preferred IVECO workshop, when needed.

Combine the M&R elements to build a contract tailored to your needs:

MAINTENANCE
Maintenance and lubricants, oils and fluid changes according to the Maintenance Plan as described in the customer handbook.

DRIVELINE
Covers engine, fuel injection, gearbox, transmission propeller shaft and axle repairs.

NEW
DRIVELINE PLUS
Provides an intermediate level of protection, adding to the DRIVELINE contract repairs to the exhaust system, starter and alternator, other gearbox components, electricals and PTO Multipower.

WEAR
Covers clutch, brake pads, brake discs, brake drums or brake linings for drum brakes.

FULL REPAIR
Raises further the level of cover extending the DRIVELINE PLUS contract with repairs to the braking system (excluding wear components), clutch cylinder, suspension, heater, air conditioning, air compressor.

Certified Parts, Connectivity, Service & Support

Certified Parts.

You need your vehicle to be a perfect match for your business and operational requirements, and to perform at its best throughout its life cycle. Quality and reliability are certified by IVECO through the high-quality IVECO Genuine Parts, which combined with the professional skills of IVECO technicians, are your greatest allies for the productivity of your business.

Genuine Parts
HIGH PERFORMANCE

Certified Connectivity.

Our Telematic services help you reduce fuel consumption, optimize routes and improve your drivers' driving style through vehicle performance reporting and analysis, for a more productive and efficient business with lower running costs.

Certified Service & Support.

If you have a problem with your vehicle, our 24-hour toll-free number is at your service with 2.000 assistance points in Europe. Furthermore, every IVECO workshop can offer quick and easy help. So, every customer – no matter where they are – can easily find a competent contact nearby.
